SUBJECT: DENMARK WANTS RED CRYSTAL VOTE

Pol off relayed reftel points with Ambassador Tyge Lehmann, MFA Senior Advisor for International Law. Lehmann confirmed that Denmark wants to see the vote on the Third Additional Protocol go forward at the 29th International Red Cross and Red Crescent conference. Lehmann asserted that Denmark and the other EU members will not vote to adjourn the conference. Denmark believes that the addition of the symbol and new societies should not be seen as political commentary on the current climate in the Middle East but rather as a neutral, humanitarian statement that should be supported.
